The Kerrville colored baseball team was here for a game with Hondo's colored team last Saturday afternoon. What they did to the Hondo team was a plenty, the visitors taking the game by a score of 6 to 1. However, those who witnessed the game say it was a very good one notwithstanding the one-sided score.

Misses Lucile and Gladys Woods returned home Monday from LaGrange where they had been the guests of their sister, Mrs. Leslie Holloway, for a week. They were accompanied home by Mrs. Holloway and little son, Leslie Earl, who will spend a while here as the guests of Mrs. Holloway's mother, Mrs. Ella Woods.

Jack Fusselman and Henry Frerichs of Hondo, Mr. Burgin of Yancey and Mr. Reinhart of D'Hanis are serving as jurors in the Federal Court in San Antonio this week. Claude W. Gilliam was another called, but as he was in California, he failed to get his summons. There may be others whose names we failed to get.

Our Hondo party, Mr. and Mrs. Claude Gilliam and Mrs. Isaac Wilson and little daughter, Ruth, who left here some four weeks ago for Los Angeles, California, set Tuesday as the date for their leaving the earthquake country for their return trip home. They are traveling in one of Ford's Tin Lizzies and it seems as though the slogan, "it carried them there and will bring them back" will hold good. Mrs. Geo. Gilliam, (nee Nell Wilson) is returning with them.

Messrs. M. C. Brown, District Manager of the Southwestern Bell Telephone Co., with headquarters at San Antonio, and Aruold Hummel, Group Manager for the same company, were here Monday on business and looking over the company's property. They were pleased with the situation as they found it and are confident of a continued profitable patronage. Mr. Hummel will have the Hondo exchange under his general supervision in future.

IF A GOOD THING COME OUT IN THE OPEN.

In examining the venire of a jury at the court house Monday morning touching their qualifications as jurors, the State's Attorney elicited from several the admission under oath that they are members of the Ku Klux Klan.

In thus rending the mask of secrecy with which members of this organization have been pleased to cover it, the State's Attorney rendered the peace and dignity of the state a signal service.

It is in this secrecy that lies the Klan's chief menace.

Robbed of it, its potency for harm vanishes before the light of publicity.

Regardless of what any of us think of the lawless nature of this organization, and however well we may question the wisdom and even the motives of those who have brought this disturbing element into our community life, it is unthinkable that those men of this town who by their acknowledgment under oath of affiliation with it have publicly assumed responsibility for it, will, knowingly or designedly, be guilty of any overt act of lawlessness, will countenance or condone it in the less responsible of their associates, or that they can look on with approval or even complacency at the turmoil and confusion their organization has brought into this community.

Some of them are gray haired fathers; some are men with dependent families and all have more or less vested property interests in the community; they can no more afford to invite the conditions that have prevailed at Goose Creek or Mere Rouge than any of the rest of us.

This knowledge should and doubtless will dispel much of the nervousness that has disturbed the community life for some weeks and restore some measure of the tranquility for which Hondo in particular and Medina County in general have long been noted.

If those of our fellow citizens who have acknowledged their Klan connections have any public statement to make to further promote this tranquility a reasonable amount of space in this paper is open to them, or any authorized spokesman for them, absolutely free of charge to give the widest possible publicity.

Propaganda handed down from a bunch of high-up promoters who are growing fat on initiation fees or pious professions however sincerely made will not suffice to allay the feeling already aroused.

If your purposes are to promote the betterment of the community why not assure the public so in this way?

If you have in mind no interference with any one outside of through the laws of your country why not lift yourselves above the suspicion of your neighbors by disclaiming publicly any such intentions?

As respected citizens of this community do you not feel that you owe this much frankness in dealing with them?

A frank avowal of your purposes and an unequivocal statement of who are your responsible officials that you and your purposes may be known of all men is the least you can possibly owe your neighbors and expect to retain the respect they have heretofore accorded you.

Do something to stem the current that is splitting the community into two distinct business and social groups with its attendant bitterness of personal feeling or bear the responsibility of the train of evils that you must know will undoubtedly follow.

This is unequivocal language. It is made in the interest of the community and regardless of what may be the personal consequences to the writer.

Can you afford to be less frank?

It is in your power and it is up to you to play the manly part; to take such steps as will stay the flow of unseen tears that wet the pillow of many an anxious mother in this town; to soothe the beating heart of many a frightened child who wakes from troubled dreams of a terror to its tender imagination more fearful than painted savages because unseen.

If a good thing get out in the open.

MOTHERS' DAY.

Sunday, May 13th, is "Mothers' Day" and every man, woman and child who feels that he or she had or has the best Mother that ever lived, is asked to observe the day by wearing a white flower—preferably a white carnation—in honor of his mother, and as a badge of love and loyalty; also to help the observance of the day by giving a white flower to at least one other person.

The white carnation is preferred if it can be obtained, because it is thought to typify Mother Love; its color standing for purity; its form for beauty; its lasting qualities, faithfulness; its fragrance, love; and its wide growth, charity.

Show your mother some special kindness this day in words of affection and appreciation; by a gift or a visit to her, or by a letter if absent from her. If she be not living, bless the life of some other mother in memory of her.

Attend our morning church service, where all mothers will be treated as Guests of Honor, and the whole service planned to cheer and encourage them, and admonish children to more love and care for them.

A. M. FOSTER,
Pastor Methodist Church.

BOUND TO LOSE HIM.

If the LaCoste Ledger doesn't want to lose its staff writer it had better not let Puck, Life or some of the other big humorous magazines discover him. They will take him away from the Ledger at a bigger salary than the Ledger can possibly pay so surely as they do discover him. But, notwithstanding this tip, we are not going to try to help the Ledger keep his light hidden under a bushel. What do you think of this one from its latest "Paragraphs by Louis Biediger"?

* "There is a bunch of worth-
* less burros making life miser-
* able in LaCoste recently. I do
* not wish to suggest anything,
* but in Arizona a fellow shoots
* the burros, and after cooking
* them, feeds them to chickens,
* thereby turning a waste prod-
* uct into an ASS-ET."

Wow! But don't that jar your risibles! Old Man, don't you do that again. Some of us might hurt ourselves laughing! Wow! wow!

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strength-giving tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

MERELY TAKING A SIESTA.

Depot Agent P. Jungman, Deputy Sheriff Bless, Coronor Lamm and County Health Officer, Dr. Smith, left town about 10 o'clock Monday night to investigate a horrible (?) tragedy at Quihi Switch, some two and a half miles east of town. The party was later joined by Sheriff Bader. The engine crew of No. 9 West-bound passenger told Mr. Jungman they thought there were a couple of dead men lying beside the track at Quihi Switch.

Mr. Jungman went as the representative of the railroad company, the others as the representatives of the State.

The first evidence of the tragedy was the finding of a hat between the rails of the railroad by Deputy Bless, and they all felt confident that soon the mortal remains of a couple of unfortunates would reward their search—and it did. Two young "hombres", about 20 years of age were found quietly sleeping less than two feet from the rails of the railroad track. Had they moved either hand or foot in the direction of the rails they would have been crushed beneath the wheels. Two trains had passed but their slumbers had not been disturbed. They were hustled away from there in short order. The party got back to town near midnight.

As we do not wish to impair the standing of any of the members of the party with their church we will bring this narrative to a close right here.

INSTALLING NEW ENGINE.

The Hondo Deep Well Company is installing a new and larger engine for service at its plant. The new engine is a 35-horse power machine, and will replace the 25-horse-power engine now in use. Our understanding, however, is that the old engine will also be retained as an emergency engine should the new engine at any time from any cause become incapacitated.

This should prove agreeable information to the people of Hondo as it insures a continuance and greater water supply should any unforeseen emergency arise.

FARM LOANS.

The Hondo National Farm Loan Association.

H. E. Haass, Secretary-Treasurer, Hondo, Texas, representing 132 borrowers, with \$503,280 borrowed, is prepared to make farm loans anywhere in Medina County under the Federal Farm Loan Act at 5 1/2 per cent interest and 1 per cent 33 year amortization repayment plan. Nineteen thousand Texas farmers have taken advantage of this system of borrowing over fifty million dollars. Why not you? Former restrictions have been taken off and you may borrow for any purpose provided for in the Act, as a farmer only.

Habitual Constipation Cured

in 14 to 21 Days.
"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It stimulates and regulates. Very Pleasant to take. 60c per bottle.

The Quinine That Does Not Affect the Head

Because of its tonic and laxative effect, LAXATIVE-BROMO QUININE is better than ordinary Quinine and does not cause nervousness or ringing in head. Remember the full name and look for the signature of E. W. GROVE, 30c.

BRACE UP!

Do you feel old before your time? Is you back bent and stiff? Do you suffer urinary disorders? Don't despair—profit by Hondo experiences. Hondo people recommend Doan's Kidney Pills. Here's a Hondo resident's statement:

Mrs. P. H. Renken, tinsmith, says: "I have used Doan's Kidney Pills and they have been used by others in my family with the best or results. My kidneys were disordered and acted irregularly. I saw Doan's Kidney Pills advertised and started to use them. One box of Doan's entirely removed the trouble."

Always Gets Good Results.

The above statement was given May 29, 1915 and on May 5, 1919, Mrs. Renken said: "I am just as firm a believer in Doan's Kidney Pills now as when I previously endorsed them. I use Doan's when my back or kidneys bother me and they always cure the attacks."

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

LADY WAS IN A BAD FIX FROM NERVOUS INDIGESTION

Biloxi, Miss.—"I had, for a year or more, nervous indigestion, or some form of stomach trouble," says Mrs. Alonzo Ford, 1117 Clay Street, this city. "The water I drank at that time seemed to constipate me. I would suffer until I got so nervous I wanted to get down on the floor and roll. I felt like I could tear my clothes."

"Every night, and night after night, I had to take something for a laxative, and it had to be kept up nightly. My side would pain. I looked awful. My skin was sallow and seemed spotted. I would look at my hands and arms, and the flesh looked lifeless."

"I happened to get a Birthday Almanac, so I told my husband I would try the Black-Draught, which I did. I took a few big doses. I felt much better. My liver acted well. I made a good, warm tea and drank it that way. Soon I found

that nervous, tight feeling was going, was the pain in my side. I found I did not have to take it every night. Soon, after a few weeks, I could leave it off for a week or so, and I did not suffer with constipation. I gained flesh. I have a good color, and believe it was a shabby liver, and that Black-Draught did the work."

"I went to my mother's (Mrs. Deeter) one day, and she wasn't well at all. I told her we'd try Black-Draught. We did, and now she keeps it to take when eating. It certainly helped her, and neither will be without it in our homes. It is so simple, and the dose can be regulated as the case may be. We take small doses after meals for indigestion and larger doses for headache or bad liver."

Theford's Black-Draught liver medicine is for sale everywhere.

Rev. A. Falkenberg paid the Anvil
Herald office an appreciated call yes-
terday. Reverend Falkenberg cele-
brated Decoration Day at the Quihi
Church Thursday with a large atten-
dance of the members. He preaches

We learn that in a called meeting
of members of the Lutheran church
last Sunday, it was voted and decided
to build a parsonage on the south side
of the church on property joining the
church grounds and owned by the X.
Wentz estate. We understand this
property was offered the church and
will be purchased by the Ladies' Aid
Society of the Lutheran congregation.

Tom Neumann, Sr. is carrying an
arm in a sling, but is not badly hurt.
Mr. Neumann was in town one day
last week and was loading supplies in
his buggy preparing to return home.
The horse became nervous and started
to move. He reached for the lines
over the dash board, but succeeded
in catching only one. This caused
the horse to swerve to one side, catch-
ing Mr. Neumann between the wheels
and throwing him down. This fright-
ened the horse which started to run,
pulling the buggy over the prostrate
body. Vernon King, was standing in
front of the State Bank, caught and
quieted the horse, preventing any
damage to the buggy. Mr. Neu-
mann's arm was skinned and bruised
somewhat by the wheels, but he is
about all right again.

WOOLLS-NEWTON.

The home of Mrs. W. E. Newton
was the scene of a quiet, but very
beautiful home wedding, when Miss
Nettie May Newton was given in mar-
riage to Mr. Selby Woolls, last Thurs-
day at 4:30 P. M. Only near rela-
tives of the bride and groom were
present. The impressive marriage
service of the Methodist Episcopal
Church ritual was read by the pastor,
thus making two hearts supremely
happy.

Both bride and groom are popular
young people of our town, having
lived in or near Hondo all their lives.
Both have been very active in the so-
cial and religious activities of this
community.

Immediately after the ceremony
they left for San Antonio and Medina
Lake where they will bask in the bliss
of a happy honeymoon. Returning
in the near future they will be at
home to their many friends on the
Woolls ranch north of Hondo.

DISTRICT COURT.

The district court opened promptly at 10 o'clock Monday morning and the selection of a jury in the case of The State vs. S. P. Childress, charged by indictment with murder, was begun. The following were empanelled as the jury to hear this case.

H. F. Teel, Henry Finger, Henry Crutchfield, Jos. Gross, Alfred Bader, Clinton H. Rothe, A. G. Walker, Louis Rieber, Ben Koch, G. R. Gammons, Will Leinweber, and Arch Morris.

The selection of the jury occupied the attention of the court up to noon. Taking of evidence the charging of the jury and the argument of counsel was completed by noon Tuesday and the case given to the jury. After due deliberation the jury returned a verdict of not guilty.

The court disposed of the following business not heretofore reported: State vs. Louis Favrow, Doretto Chavis and Esteben Bruneda, charged with burglarizing a railroad car. Dismissed by the district attorney for want of sufficient evidence to sustain conviction.

State vs. Louis Favrow, Doretto Chavis and Esteben Bruneda, burglarizing a railroad car. Dismissed by the district attorney, as defendants had previously been convicted of a felony growing out of the same transaction.

State vs. Brailio Alonzo, assault with intent to murder. Dismissed by the district attorney as defendant had previously been convicted of a felony growing out of the charge.

State vs. Emilio Alonzo, assault with intent to murder. Dismissed by the district attorney, defendant being under seventeen years of age.

State vs. Leonardo Alonzo, aggravated assault. Guilty and fined \$25.

A number of judgments in tax suits in the Devine Independent School District, also a number wherein the State of Texas is plaintiff, were taken. Also a number were continued for various reasons, and a number were dismissed.

W. H. Windrow of Hondo, Louis Scherrer of Castrovilla and W. S. Lilly of Devine were appointed commissioners to select a grand jury and draw petit jurors for the fall term of the court.

The total expense of the term was \$1,095.15, against \$765.00 for the previous term of the court. However \$45.00 of the term of the court just closed was paid to the Auditors for auditing the county's books.

The court adjourned for the term Tuesday afternoon. The court will next meet at Bandera Monday, May 14th.

In the case of Jacob Reily vs. S. W. Campbell, suit to cancel coal mine lease, a verdict was rendered for plaintiff.

RECEIVES MEDAL.

Judge A. M. Lamm, who followed that peerless leader, Stonewall Jackson, during the four years of '61 to '65, this week received a Cross of Honor from the Bernard E. Bee Chapter No. 85, U. D. C., and he is extremely proud of the distinction conferred. The pendant of the medal of bronze is suspended from a bar. In the center of the medal, which is in the shape of a Greek Cross, is a miniature representation of the flag of the Lost Cause, surrounded by a wreath of oak leaves, and bears the inscription, "United Daughters of the Confederacy to U. C. V." The reverse bears "Deo Vindice, 1861 to 1865; Southern Cross of Honor". It is a rather ornate piece of workmanship, but is valued more by the Judge for its historic significance and the memories it stirs than for any other reason.

Accompanying the medal was a letter from the Post Adjutant, showing the esteem in which one of these old Vets regards the other even though they may be perfect strangers. The dangers and hardships encountered has bound them in a bond of love as strong as though they were united by blood ties.

The Hand of Time is being laid heavily on the wearers of the grey; soon all will have answered roll call higher up, but so long as a true Southern heart beats their heroism and sacrifices for what they believed right will be held in loving remembrance.

Following is the letter:
San Antonio, Texas, May 8, '23.
A. M. Lamm, Esq.,
Hondo, Texas.

My dear Comrade:
I am sending (enclosed) your Cross of Honor. The Crosses were given out last Sunday—Decoration Day—by Mrs. Spencer who is President of The Barnard E. Bee Chapter No. 85 U. D. C.

Sorry you can not come up to some of our celebrations. I presume you read about them in the Daily papers.

Well we went to the reunion at New Orleans and enjoyed every minute of our stay. Some of the boys did not come back until the last day, April 30th. There were 35 from San Antonio, Ladies and Veterans.

I am coming out some time soon to see you. Very first chance I get. Hoping you and your better half are enjoying good health, believe me,

Very Sincerely,
GODFREY PETERSON,
2105 Monterey St., San Antonio.

SCHOOL CLOSURES.

The Buck Hill School, of which Miss Hettie Fusselman was the teacher, closed last Friday evening, May 4, a large audience being present to witness the closing program. The exercises were opened by the school singing the national anthem, "America", followed by two little playlets in which the entire student body took part and in which they acquitted themselves very creditably. In the absence of County Superintendent W. N. Saathoff, Mr. A. Esser, who with his partner, Mr. C. L. McDowell, insurance agents, happened to be in the audience, delivered the closing address to the school in a very acceptable little talk. Taken all together those present passed a very enjoyable couple of hours.

INCONSISTENT PRO-NUNCIATION.

When the English tongue we speak, Why is "break" not rimed with "freak"? Will you tell me why it's true We say "sew" but likewise "few"? And the fashioner of verse Cannot cap his "horse" with "worse"? "Beard" sounds not the same as "heard"; "Cord" is different from "word"; "Cow" is cow, but "low" is low; "Shoe" is never rimed with "foe". Think if "comb" and "tomb" and "bomb"; "Doll" and "roll" and "home" and "some"; And since "pay" is rimed with "say", Why not "paid" with "said", I pray? We have "blood", and "food", and "good". "Mould" is not pronounced like "could". Wherefore "done", but "gone" and "lone"? Is there any reason known?

—The Arrow.

[F. F.]
IT IS NOT EASY.

To apologize,
To begin over,
To be unselfish,
To take advice,
To admit error,
To face a sneer,
To be charitable,
To keep on trying,
To be considerate,
To avoid mistakes,
To endure success,
To keep out of the rut,
To think and then act,
To forgive and forget,
To make the best of little,
To subdue an unruly temper,
To maintain a high standard,
To shoulder a deserved blame,
To recognize the silver lining—
But it always pays.

A Sensitive Sole

It was at the end of an imperfect hike, in which the colored outfit had tramped to Gehenna and back. One of the bucks, footsore and otherwise sore, meandered on blistered feet around to the supply sergeant's office. "Sarge," he demanded, "Ah wants a pair o' new shoes."

"Whassermatter dem yo' got on?" retorted the sergeant. "'Pears lak dey's plenty good enough."

"On top dey ain' so wuss," admitted the private, "but dem soles is worn so thin Ah kin stan' on a dime an' tell whether she reads heads or tails."—American Legion Weekly.

Expediting the Action

A noise like a corn shucker getting ready for the fray was proceeding from the room occupied by the new boarder, who dashed out and demanded of an old-timer in the establishment:

"Great guns! What's that fellow in there trying to do? Sounds like a couple of rivet drivers having a tournament."

"Why," the other answered, "that's nothing. The poor fellow has insomnia and the doctor told him to count to a million after retiring."

"Don't sound like counting. Sounds more like—"

"Oh, he bought an adding machine. He's in bed turning the crank."—American Legion Weekly.

THE TEACHER'S INFLUENCE.

What you, today, have taught these girls and boys They may forget. Too soon the mind employs.

Itself with needless cares and counts as naught. The lessons which in early youth were taught.

But what you are within your heart today Is marked indelibly upon the clay Of their young lives, to help or harm the plan

Which God designed to make a perfect man, And trusted then to you, His artisan.

THE THRICE-A-WEEK EDITION OF THE NEW YORK WORLD IN 1923 AND 1924.

Practically a daily at the Price of a Weekly. No other Newspaper in the World Gives So Much at So Low a Price.

The wide, wide world has become so narrowed by science that news from all around the globe is printed in the current New York World, together with the views of nation builders, master men and leading women everywhere and particularly in the United States. No other newspaper is better equipped to give the news of the world at the time it is news than The New York World.

The Thrice-a-Week edition of The World is the greatest example of comprehensive journalism in America. It will keep you as thoroughly informed as a daily, which would cost five or six times as much. It is a unique newspaper, published three times a week, for \$1 a year. This is the regular subscription price and it pays for 156 newspapers.

We offer this unequalled newspaper and Fletcher's Farming together for one year for \$1.25. The regular subscription price of the two papers is \$2.00.

We want to lock our forms at noon Friday. We have to do this to get the paper into the mails on time. You will greatly assist us by getting your copy in at the earliest possible moment. By all means, have it in our hands not later than Thursday afternoon. By taking due notice of this and acting accordingly you will confer a great favor on us and avoid disappointment for yourself.

The first time!" —Froth.

Another Pioneer Gone.

Yesterday the news of the demise of Simon Rohlf of Quihi reached us. He died at his home after a lingering illness. His death came not unexpected, as he was very weak the last weeks. Only about a year ago on March 26, he celebrated with his surviving wife their golden wedding in good health. Mr. Rohlf was over 74 years old at the time of his death. He came to Medina county about 45 years ago and lived at Haby's Prairie, and later at Quihi. He was a good farmer and a handy carpenter and mechanic.

The funeral will take place at 4:00 o'clock this afternoon at the Quihi cemetery.

We hope to have a complete obituary of this sturdy pioneer for our next issue.

Robert Rosenbusch of the S. A. Machine Supply Co. was here to supervise the starting of the new engine at the plant of the Hondo Deep Well Co.

Louis Mann and son, William, and daughters, Misses Little and Katy, were Hondo visitors this week-end.

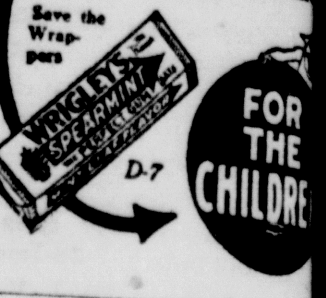

P. C. Jagge underwent an operation for appendicitis at a San Antonio hospital the first of the week. The operation was a success, but Mr. Jagge was very sick for several days following. Mrs. Jagge and little son, Clinton, were with him in San Antonio.

The Hondo High School baseball boys defeated the D'Hanis team on the D'Hanis diamond Friday afternoon in an interesting game by a score of 12 to 6.
